ATTORNEY GENERAL OF TEXAS

April 9, 2020

Ms. Courtney R. Kelly  
Public Information Assistant Coordinator  
Dallas Independent School District  
9400 North Central Expressway  
Dallas, Texas 75231

OR2020-10584

Dear Ms. Kelly:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 821238 (PIR No. R019167-011520).

The Dallas Independent School District (the "district") received a request for information pertaining to a specified request for proposals and contract. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. Additionally, you state release of the submitted information may implicate the proprietary interests of Amtex Security, Inc.; AmeriVet Security Guard Professionals; Blackstone Security Services, Inc. ("Blackstone"); DFW Security Protective Force; Night Eyes Protective Services, Inc.; North Atlantic Security; Southwest Security and Technology; Texas Industrial Security; Vets Securing America; and Weiser Security Services, Inc. ("Weiser"). Accordingly, you state, and provide documentation showing, the district notified these third parties of the request for information and of their right to submit arguments to this office as to why the submitted information should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have received comments from Blackstone and Weiser. We have considered the submitted arguments and reviewed the submitted information.

Section 552.104(a) of the Government Code excepts from disclosure information that a governmental body demonstrates, if released, would "harm its interests by providing an advantage to a competitor or bidder in a particular ongoing competitive situation or in a particular competitive situation where the governmental body establishes the situation at issue is set to reoccur or there is a specific and demonstrable intent to enter into the competitive situation again in the future." Gov't Code § 552.104(a). The "test under

section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831, 841 (Tex. 2015). After review of the information at issue and consideration of the arguments, we find the district has established the release of the information at issue would harm its interests by providing an advantage to a competitor or bidder in a particular ongoing competitive situation. Thus, we conclude the district may withhold the submitted information under section 552.104(a) of the Government Code.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
