Ms. Esther Pena  
Administrative Assistant  
City of Laredo  
P.O. Box 579  
Laredo Texas 78042-0579

OR2020-10587

Dear Ms. Pena:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 822096 (PIR# W0014839-012420).

The City of Laredo (the "city") received a request for information pertaining to a specified bid. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of David H. Cruz, MDPA; E2S Strategies, LLC; Laredo Antidoping Agency; Laredo Examiners, Inc.; Laredo Occupational Center; and Vital Med Urgent Care. Accordingly, you state, and provide documentation showing, you notified these third parties of the request for information and of their right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any third party explaining why the submitted information should not be released. Therefore, we have no basis to conclude any third party has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of

requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish prima facie case that information is trade secret), 542 at 3. Accordingly, the city may not withhold the submitted information on the basis of any proprietary interest any third party may have in the information.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.”<sup>1</sup> Gov’t Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. A compilation of an individual’s criminal history is highly embarrassing information, the publication of which would be highly objectionable to a reasonable person. *Cf. U.S. Dep’t of Justice v. Reporters Comm. for Freedom of the Press*, 489 U.S. 749, 764 (1989) (finding significant privacy interest in compilation of individual’s criminal history by recognizing distinction between public records found in courthouse files and local police stations and compiled summary of criminal history information). Furthermore, we find a compilation of a private citizen’s criminal history is generally not of legitimate concern to the public. Upon review, we find the information we have indicated satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the city must withhold the information we have indicated under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.136 of the Government Code provides, “[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential.” Gov’t Code § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. *See Open Records Decision No. 684 at 9 (2009)*. Upon review, the city must withhold the insurance policy numbers under section 552.136 of the Government Code.

In summary, the city must withhold the information we have indicated under section 552.101 of the Government Code in conjunction with common-law privacy. The city must withhold the insurance policy numbers under section 552.136 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

<sup>1</sup> The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987)*.
