

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 15, 2020

Ms. Victoria Womack
Records Clerk
Port Aransas Police Department
705 West Avenue A
Port Aransas, Texas 78336

OR2020-10923

Dear Ms. Womack:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 822497.

The Port Aransas Police Department (the "department") received a request for information pertaining to a specified incident. You state the department does not maintain information responsive to a portion of the request.¹ You state the department has released some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.1085 of the Government Code. Additionally, you state, and provide documentation showing, the department notified the next of kin of a deceased individual of the right to submit comments to this office explaining why the information at issue should not be released. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have considered the exceptions you claim and reviewed the submitted information, a portion of which is a representative sample.² We have also received and considered comments from the requestor. *See id.*

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See id.* § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must

¹ The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the submitted information relates to a closed criminal investigation that did not result in conviction or deferred adjudication. Based on this representation and our review, we agree section 552.108(a)(2) is applicable to the submitted information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of basic information, which must be released, the department may withhold the submitted information under section 552.108(a)(2) of the Government Code.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
