Dear Ms. Strand:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 822078.

The Mesquite Police Department (the "department") received a request for information pertaining to a specified investigation. You state the department will release some information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note some of the submitted information consists of police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information made confidential by other statutes, such as section 143.090 of the Local Government Code. You state the City of Mesquite is a civil service city under chapter 143 of the Local Government Code. Section 143.090 provides:

A department . . . or municipality may not release a photograph that depicts a police officer unless:

- (1) the officer has been charged with an offense by indictment or by information;
- (2) the officer is a party in a civil service hearing or a case before a hearing examiner or in arbitration;
- (3) the photograph is introduced as evidence in a judicial proceeding;
or
- (4) the officer gives written consent to the release of the photograph.

Local Gov’t Code § 143.090. You state the remaining information consists of a photograph depicting a police officer. You inform us the police officer depicted in the photograph at issue has not provided the department with written consent regarding the release of the photograph. You further inform us none of the remaining exceptions under section 143.090 are applicable. Accordingly, the department must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 143.090 of the Local Government Code.

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The department must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 143.090 of the Local Government Code.

¹ As we are able to make this determination, we need not address your argument against disclosure of this information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
