Mr. Kevin Bailey
Assistant City Attorney
City of Midland
P.O. Box 1152

OR2020-11043

Dear Mr. Bailey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 826390 (Reference #M029398-021820).

The City of Midland (the "city") received a request for a specified incident report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, including section 261.201 of the Family Code, which provides, in relevant part, as follows:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). You assert the submitted information is confidential pursuant to section 261.201(a). However, upon review, we find you have not demonstrated the information at issue consists of a report of alleged or suspected child abuse or neglect, nor does the information reveal the identity of an individual who made a report of alleged or suspected child abuse or neglect for purposes of section 261.201(a)(1). *See id.* §§ 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had disabilities of minority removed for general purposes), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of section 261.201). Furthermore, we find you have failed to demonstrate this information was used or developed in an investigation of alleged or suspected child abuse or neglect under section 261.201(a)(2). Accordingly, the city may not withhold the information at issue under section 552.101 in conjunction with section 261.201(a).

The submitted information consists of a CR-3 accident report that is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. *See* Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c). In this instance, the requestor is a person listed under section 550.065(c). Thus, the city must release the submitted information in its entirety to this requestor pursuant to section 550.065(c) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
