Dear Ms. Chima-Tetteh:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 823271 (PD Reference No. 94791).

The Arlington Police Department (the "department") received a request for twenty-five categories of information pertaining to a specified traffic accident. You state you will release some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

The submitted information consists of a peace officer's body worn camera recording. Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) of the Occupations Code states the information a requestor must provide when seeking a body worn camera recording. *See* Occ. Code § 1701.661(a). In this instance, the requestor provided the information required by section 1701.661(a) for release of the body worn camera recording at issue. We note, however, section 1701.661(f) provides:

A law enforcement agency may not release any portion of a recording made in a private space, or of a recording involving the investigation of conduct

that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). You state the video recording at issue consists of a body worn camera recording involving an investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You further state the department does not have permission for release from all of the subjects of the recording at issue. *See id.* § 1701.661(f). Accordingly, we find the department must withhold the submitted body worn camera recording under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
