Mr. Mark Kratovil  
Assistant Criminal District Attorney  
Tarrant County

Dear Mr. Kratovil:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 823312.

The Tarrant County Criminal District Attorney's Office (the "district attorney's office") received a request for information pertaining to a specified incident. You claim the requested information is excepted from disclosure under sections 552.101 through 552.154 of the Government Code.<sup>1</sup> We have considered the exceptions you claim.

Section 552.301 of the Government Code prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e)(1)(A)-(D). The district attorney's office received the instant request for

<sup>1</sup> Although you also raise sections 552.022, 552.0225, and 552.026 of the Government Code as exceptions to disclosure, we note these sections are not exceptions to disclosure. Section 552.022 acts to make certain information public. Further, section 552.0225(b) enumerates categories of information relating to a governmental body's investments that are public and not excepted under the Act. Gov't Code § 552.0225(b). Additionally, section 552.026 of the Government Code provides the Act does not require the release of information contained in education records except in conformity with the Family Educational Rights and Privacy Act of 1974. *Id.* § 552.026.

information on January 28, 2020. As of the date of this letter, you have not submitted to this office written comments stating the reasons why the claimed exceptions apply, or a copy or representative sample of the information requested. Accordingly, we conclude the district attorney's office failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the district attorney's office raises exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
