

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 22, 2020

Ms. Bertha A. Ontiveros
Assistant City Attorney
Town of Horizon City
14999 Darrington Road
Horizon City, Texas 79928

OR2020-11421

Dear Ms. Ontiveros:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 823876.

The Town of Horizon City (the "town") received a request for information related to a specified vehicle accident.¹ You state the town has released some information, including the CR-3 accident report, to the requestor pursuant to section 550.065 of the Transportation Code. *See* Transp. Code § 550.065(c) (providing for the release of accident report to person or entity listed under this subsection). You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

¹ You state the town sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released.² However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.³ *See* Gov’t Code § 552.130. Accordingly, the town must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the submitted body worn camera recordings were not properly requested pursuant to chapter 1701 of the Occupations Code and they need not be released. The town must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The town must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open

² As we are able to make this determination, we need not address your argument against disclosure of this information.

³ The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).
