Dear Ms. Hickman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 823625.

The Beaumont Police Department (the "department") received a request for information pertaining to a specified accident. You state the department will release some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code.<sup>1</sup> We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>2</sup>

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's or driver's license or permit, a motor vehicle title or registration, or a personal identification document issued by an agency of Texas or another state or country is excepted from public release. Gov't Code § 552.130(a). Upon review, we find some of the submitted video recordings contain information subject to section 552.130. You state the department does not have the technological capability to redact the motor vehicle record information

<sup>1</sup> We note, and you acknowledge, the department did not comply with section 552.301 of the Government Code in requesting this decision. *See* Gov't Code § 552.301(b), (e). Nonetheless, because sections 552.101 and 552.130 of the Government Code can provide compelling reasons to overcome the presumption of openness, we will consider their applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

<sup>2</sup> We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

from the recordings. Accordingly, the department must withhold the recordings we indicated in their entirety under section 552.130 of the Government Code.<sup>3</sup> *See* Open Records Decision No. 364 (1983). As you raise no arguments against the disclosure of the remaining information, the department must release the remaining recordings.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
