ATTORNEY GENERAL OF TEXAS

April 24, 2020

Mr. W. Montgomery Meitler
Senior Counsel
Texas Education Agency
1701 North Congress Avenue
Austin, Texas 78701-1494

OR2020-11679

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 824977 (Reference No. 41451)

The Texas Education Agency (the "TEA") received a request for certain reports during a defined period of time. You state you will release some information to the requestor. You additionally state you will withhold student-identifying information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.¹ You also state you will redact information pursuant to section 552.147(b) of the Government Code.² You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.³

¹The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or an adult student's consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the educational records. A copy of this letter may be found on the Office of the Attorney General's website at <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>.

²Section 552.147(b) of the Government Code authorizes a governmental body to redact the social security number of a living person without the necessity of requesting a decision from this office under the Act. *See* Gov't Code § 552.147(b).

³We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records

Section 552.103 of the Government Code provides as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a). *See* ORD 551.

You inform us the submitted information relates to open investigations of allegations of educators engaged in inappropriate conduct. You state the alleged misconduct may require the agency to file a petition for sanctions against the educators pursuant to provisions of the Education Code and title 19 of the Texas Administrative Code. *See* Educ. Code §§ 21.031(a) (agency shall regulate and oversee standards of conduct of public school educators), .041(b) (agency shall propose rules providing for disciplinary proceedings); 19 T.A.C. §§ 247.2, 249.15(c). You explain if an educator files an answer to the petition, the matter will be referred to the State Office of Administrative Hearings for a contested case proceeding. *See* 19 T.A.C. § 249.18. You state such proceedings are governed by the Administrative Procedure Act (the "APA"), chapter 2001 of the Government Code. *See* Educ. Code § 21.041(b)(7); 19 T.A.C. § 249.4(a)(1); Open Records Decision No. 588 (1991) (contested case under APA constitutes litigation for purposes of statutory predecessor to Gov't Code § 552.103). Based on your representations and our review, we determine the agency reasonably anticipated litigation when it received the request for information. Furthermore, you explain the submitted information was compiled for the purpose of investigating the alleged educator misconduct. Upon review, we agree the

letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

submitted information relates to the anticipated litigation. We, therefore, conclude the TEA may withhold the submitted information under section 552.103 of the Government Code.

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) of the Government Code interest exists with respect to that information. *See* Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to all parties to the anticipated litigation is not excepted from disclosure under section 552.103(a) and must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. *See* Attorney General Opinion MW-575 (1982); *see also* Open Records Decision No. 350 (1982).

You ask this office to issue a previous determination permitting the TEA to withhold information concerning open investigations of alleged educator misconduct under section 552.103 of the Government Code without requesting a ruling from this office. *See* Gov't Code § 552.301(a) (allowing governmental body to withhold information subject to previous determination); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code). We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
