Dear Ms. Pemberton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 830119 (ORR# W031698).

The Killeen Police Department (the "department") received a request for information pertaining to two specified animals. The department states it has released some of the requested information but, claims some of the submitted information is excepted from disclosure under section 552.1177 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.1177(a) of the Government Code relates to the humane disposition by a municipality or county of an animal and provides the following:

Except as provided by Subsection (b), information is confidential and excepted from [required public disclosure] if the information relates to the name, address, telephone number, e-mail address, driver's license number, social security number, or other personally identifying information of a person who obtains ownership or control of an animal from a municipality or county making a humane disposition of the animal under a municipal ordinance or an order of the commissioners court.

Gov't Code § 552.1177(a). The department asserts the information it has marked under section 552.1177 identifies a person who adopted an animal from the department's animal shelter. We understand the City of Killeen made a humane disposition of the animals under a municipal ordinance. Based on this representation, we find the department must withhold the information you have marked under section 552.1177 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
