Mr. John J. Janssen
Counsel for the Industrial Independent School District
Sara Leon & Associates, L.L.C.

OR2020-12039A

Dear Mr. Janssen:

This office issued Open Records Letter No. 2020-12039 (2020) on April 29, 2020. Since that date, we have received new information that affects the facts on which this ruling was based. Consequently, this decision serves as the corrected ruling and is a substitute for the decision issued on April 29, 2020. *See generally* Gov't Code § 552.011 (providing that Office of Attorney General may issue decision to maintain uniformity in application, operation, and interpretation of Public Information Act ("Act")). This ruling was assigned ID# 835380.

The Industrial Independent School District (the "district"), which you represent, received a request for several categories of information and communications involving named individuals and specified topics for specified periods of time.¹ You state you will release some information to the requestor. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.102 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

¹ The district states it sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses information protected by other statutes, such as section 418.182 of the Government Code, which was added to chapter 418 of the Government Code as part of the Texas Homeland Security Act. Section 418.182 provides in part:

(a) Except as provided by Subsections (b) and (c), information, including access codes and passwords, in the possession of a governmental entity that relates to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity is confidential.

Id. § 418.182(a). The fact information may generally be related to a security system does not make the information *per se* confidential under section 418.182. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute’s key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any confidentiality provision, a governmental body asserting section 418.182 must adequately explain how the responsive information falls within the scope of the statute. *See* Gov’t Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You explain the purpose of the security camera system at issue is to protect public and private property from acts of terrorism or related criminal activity. You state release of the submitted video recordings would reveal the location and coverage of the security camera, the clarity, angle, and other characteristics of the recording. Based on your representations and our review, we conclude the submitted video recording is related to the specifications, operating procedures, or location of a security system used to protect public property from an act of terrorism or related criminal activity. *See Tex. Dep’t of Pub. Safety v. Abbott*, 310 S.W.3d 670 (Tex. App.—Austin 2010, no pet.) (recorded images necessarily relate to specifications of security system that recorded them, and thus, are confidential under section 418.182). Accordingly, the district must withhold the submitted video recording under section 552.101 of the Government Code in conjunction with section 418.182(a) of the Government Code.

Section 552.101 of the Government Code also encompasses chapter 411 of the Government Code, which pertains to criminal history record information (“CHRI”). Chapter 411 authorizes the Texas Department of Public Safety (the “DPS”) to compile and maintain CHRI from law enforcement agencies throughout the state and to provide access to authorized persons to federal criminal history records. *See* Gov’t Code §§ 411.042, .087. Section 411.0845 of the Government Code provides, in relevant part:

(a) The [DPS] shall establish an electronic clearinghouse and subscription service to provide [CHRI] to a particular person entitled to receive [CHRI] and updates to a particular record to which the person has subscribed under this subchapter.

(b) On receiving a request for [CHRI] from a person entitled to such information under this subchapter, the [DPS] shall provide through the electronic clearinghouse:

(1) the [CHRI] reported to the [DPS] or the Federal Bureau of Investigation relating to the individual who is the subject of the request; or

(2) a statement that the individual who is the subject of the request does not have any [CHRI] reported to the [DPS] or the Federal Bureau of Investigation.

...

(d) The [DPS] shall ensure that the information described by Subsection (b) is provided only to a person otherwise entitled to obtain [CHRI] under this subchapter. Information collected under this section is confidential and is not subject to disclosure under [the Act].

Id. § 411.0845(a)-(b), (d). Section 411.097(b) of the Government Code provides in part that “[a] school district . . . is entitled to obtain from the [DPS CHRI] maintained by the [DPS] that the district . . . is required or authorized to obtain under Subchapter C, Chapter 22, Education Code, that relates to a[n] . . . employee of the district[.]” *Id.* § 411.097(b). Pursuant to section 22.083(a-1) of the Education Code, a school district is authorized to obtain CHRI from the DPS’s electronic clearinghouse. *See* Educ. Code § 22.083(a-1)(1). Section 22.08391(d) of the Education Code states that any CHRI received by a school district is subject to section 411.097(d) of the Government Code. *Id.* § 22.08391(d). Section 411.097(d) provides in relevant part:

(d) [CHRI] obtained by a school district, charter school, private school, service center, commercial transportation company, or shared services arrangement in the original form or any subsequent form:

(1) may not be released to any person except:

(A) the individual who is the subject of the information;

(B) the Texas Education Agency;

(C) the State Board for Educator Certification;

(D) the chief personnel officer of the transportation company, if the information is obtained under Subsection (a)(2); or

(E) by court order[.]

Gov't Code § 411.097(d)(1). You state some the submitted information consists of CHRI derived from the DPS criminal history clearinghouse. Upon review, we conclude some of the information at issue constitutes CHRI for the purposes of chapter 411. Accordingly, the district must withhold the information we marked under section 552.101 of the Government Code in conjunction with sections 411.0845 and 411.097(d) of the Government Code. *See id.* § 411.097; *see also* Educ. Code § 22.08391(d) (stating CHRI received by school district under subchapter C of chapter 22 of Education Code is subject to section 411.097(d) of Government Code). However, upon review, we find no portion of the remaining information constitutes CHRI that is confidential under chapter 411 of the Government Code. Therefore, the district may not withhold any of the remaining information under section 552.101 of the Government Code in conjunction with chapter 411 of the Government Code.

Section 552.102(b) of the Government Code excepts from public disclosure “a transcript from an institution of higher education maintained in the personnel file of a professional public school employee[.]” Gov't Code § 552.102(b). This exception further provides, however, that “the degree obtained or the curriculum on a transcript in the personnel file of the employee” are not excepted from disclosure. *Id.*; *see also* Open Records Decision No. 526 (1989). Thus, with the exception of the employee's name, courses taken, and degrees obtained, which must be released, the district must withhold the submitted college transcripts pursuant to section 552.102(b) of the Government Code.

We note some of the materials at issue may be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the district must withhold the submitted video recording under section 552.101 of the Government Code in conjunction with section 418.182(a) of the Government Code. The district must withhold the information we marked under section 552.101 of the Government Code in conjunction with sections 411.0845 and 411.097(d) of the Government Code. With the exception of the employee's name, courses taken, and degrees obtained, which must be released, the district must withhold the submitted college transcripts pursuant to section 552.102(b) of the Government Code. The district must release the remaining information; however, any information that is subject to copyright may be released only in accordance with copyright law.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open->
