Ms. Amanda Sandhu
Manager, Records Division
North Richland Hills Police Department

OR2020-12119

Dear Ms. Sandhu:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 824682 (PIR# 20-0176)

The North Richland Hills Police Department (the "department") received a request for information pertaining to a specified incident involving the requestor. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note you have only submitted video recordings related to the specified incident. Please be advised, this open records letter ruling applies only to the types of information you have submitted for our review. This ruling does not authorize the department to withhold any information that is substantially different from the types of information you submitted to this office. *See* Gov't Code § 552.302 (where request for attorney general decision does not comply with requirements of Gov't Code § 552.301, information at issue is presumed to be public). Accordingly, to the extent any such information existed on the date the department received the request, we assume you have released it. If you have not released any such information, you must do so at this time. *See id.* §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Next, we note the submitted information includes body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides

the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). Upon review, we note the remaining information does not consist of body worn camera recordings. Therefore, the remaining information is not subject to section 1701.661 of the Occupations Code, and the department may not withhold any portion of it on that basis.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.² *See* Gov't Code § 552.130. Accordingly, the department must withhold all visible license plates in the remaining information under section 552.130 of the Government Code.

In summary, as the body worn camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The department must withhold all visible license plates in the remaining information under section 552.130 of the Government Code. The department must release the remaining information.

¹ As we are able to make this determination, we need not address your argument against disclosure of this information.

² The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Matthew Taylor
