

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 1, 2020

Mr. James Kopp
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78207

OR2020-12343

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 825323 (COSA File No. W305008).

The City of San Antonio (the "city") received a request for information pertaining to a specified incident and personnel records pertaining to a named city police officer. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes an officer's Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government Code defines "public information" as the following:

[I]nformation that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
 - (A) owns the information;
 - (B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand the officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in TCOLE's electronic database, and may be used as an access device number on the TCOLE website. Thus, we find the officer's TCOLE number does not constitute public information under section 552.002 of the Government Code. Therefore, the officer's TCOLE number is not subject to the Act and need not be released to the requestor.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" *Id.* § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* § 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). In this instance, the information at issue includes personnel records pertaining to the named officer. Section 552.108 is generally not applicable to purely administrative records that do not involve the investigation or prosecution of crime. *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no pet.) (section 552.108 generally not applicable to law enforcement agency's personnel records); *Morales v. Ellen*, 840 S.W.2d 519, 525-26 (Tex. Civ. App.—El Paso 1992, writ denied) (statutory predecessor to section 552.108 not applicable to internal investigation that did not result in criminal investigation or prosecution); *see also* Open Records Decision No. 350 at 3-4 (1982). However, you inform us the information at issue pertains to a pending criminal prosecution. You also state release of the information at issue would interfere with the investigation and prosecution of the case. Based on your representations and our review, we find the release of the information at issue would interfere with the detection, investigation, and prosecution of a crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.¹

¹As our ruling is dispositive, we need not address your remaining argument against disclosure of this information. Further, as we are able to make this determination, we do not address the applicability of section 1701.661(a) of the Occupations Code to the submitted body worn camera video recording. *See generally* Occ. Code § 1701.661(a), (e).

In summary, the officer's TCOLE identification number is not subject to the Act, and need not be released to the requestor. The city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
