Dear Ms. Parker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 832073.

The Texas Department of Transportation (the "department") received a request for information pertaining to a specified project.¹ You state the department is releasing most of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which

¹ We note the department sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed). The department states it sent the requestor cost estimates of charges pursuant to section 552.2615 of the Government Code, and the requestor accepted the cost estimates. *See* Gov't Code § 552.2615. The estimates of charges required the requestor to provide deposits for payment of anticipated costs under section 552.263 of the Government Code. *See id.* § 552.263(a). The department also informs us it received the required deposits on February 19, 2020, and March 25, 2020. *See id.* § 552.263(e) (if governmental body requires deposit or bond for anticipated costs pursuant to section 552.263, request for information is considered to have been received on date governmental body receives bond or deposit).

would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. This office has found personal financial information not relating to a financial transaction between an individual and a governmental body is excepted from required public disclosure under common-law privacy. See Open Records Decision Nos. 600 (1992) (designation of beneficiary of employee's retirement benefits, direct deposit authorization, and forms allowing employee to allocate pretax compensation to group insurance, health care or dependent care), 545 (1990) (deferred compensation information, participation in voluntary investment program, election of optional insurance coverage, mortgage payments, assets, bills, and credit history). Upon review, we find the submitted information satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Thus, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with common-law privacy.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
