Dear Ms. Martinez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 827255 (ORR# P004294).

The Richardson Police Department (the "department") received a request for information related to a specified car crash. The department states it will redact public citizens' dates of birth pursuant to Open Records Letter No. 2017-00069 (2017).<sup>1</sup> The department also states it is withholding motor vehicle record information pursuant to section 552.130(c) of the Government Code, access device numbers pursuant to section 552.136(c) of the Government Code, and social security numbers pursuant to section 552.147(b) of the Government Code.<sup>2</sup> The department further states it is withholding certain information

---

<sup>1</sup> Open Records Letter No. 2017-00069 authorizes the department to withhold public citizens' dates of birth under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a ruling from this office. *See* Open Records Decision No. 673 at 7-8 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code).

<sup>2</sup> Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.136(c) of the Government Code allows a governmental body to redact the information described in section 552.136(b) without the necessity of seeking a decision from the attorney general. *See id.* § 552.136(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.136(e). *See id.* § 552.136(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See id.* § 552.147(b).

pursuant to Open Records Decision No. 684 (2009).<sup>3</sup> The department states it is releasing some of the submitted information, including the police officer's crash report pursuant to section 550.065(c) of the Transportation Code. *See* Transp. Code § 550.065(c) (providing for release of accident report to person or entity listed under this subsection). The department claims the remaining submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). Upon review of the information at issue, we determine the requestor provided the information required by section 1701.661(a) of the Occupations Code for release of the body worn camera recording at issue. However, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

*Id.* § 1701.661(f). The department states the video recording at issue consists of a body worn camera recording involving an investigation of conduct that constitutes a misdemeanor punishable by fine only and that did not result in an arrest. The department states it does not have permission for release from all of the subjects of the recording at issue. *See id.* Accordingly, we find the department must withhold the submitted body worn camera recording under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.
