(6) if the district is a school district, verify that the district has established a plan for responding to a train derailment if required under Subsection (d);

(7) verify that the district has completed a safety and security audit under Subsection (b) and determine the date the audit was conducted, the person conducting the audit, and the date the district presented the results of the audit to the district's board of trustees[.]

Educ. Code § 37.108(b), (c-1), (c-2)(1)-(2), (4)-(7). You inform us the information at issue was developed, collected, or produced during or for a safety and security audit conducted under section 37.108(b). *See id.* § 37.108(b). Thus, this information is not subject to section

37.108(c-1) of the Education Code and may not be withheld under section 552.101 of the Government Code on that basis. However, the district must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 37.108(c-1) of the Education Code.
