

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 9, 2020

Mr. Adam Anderson
Assistant County Attorney
Montgomery County
501 North Thompson, Suite 300
Conroe, Texas 77301

OR2020-13011A

Dear Mr. Anderson:

Our office issued Open Records Letter No. 2020-13011 (2020) on May 7, 2020. Since that date, we have received new information that affects the facts on which this ruling was based. Consequently, this decision serves as the correct ruling and is a substitute for the decision issued on May 7, 2020. *See generally* Gov't Code § 552.011 (providing that Office of Attorney General may issue decision to maintain uniformity in application, operation, and interpretation of Public Information Act (the "Act"), chapter 552 of the Government Code). Your request was assigned ID# 839452 (Ref. No. 19PIA061).

The Montgomery County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a named sheriff's office employee. You argue some of the submitted information is not subject to the Act. You also claim the submitted information is excepted from disclosure under sections 552.101, 552.102, 552.108, 552.115, 552.117, and 552.130 of the Government Code. We have considered the submitted arguments and reviewed the submitted information.

Initially, we note the submitted information includes an officer's Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government Code defines "public information" as the following:

[I]nformation that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

(1) by a governmental body;

(2) for a governmental body and the governmental body:

(A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Id. § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand the officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in TCOLE's electronic database, and may be used as an access device number on the TCOLE website. Thus, we find the officer's TCOLE number does not constitute public information under section 552.002 of the Government Code. Therefore, the officer's TCOLE number is not subject to the Act and need not be released to the requestor.¹

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” *Id.* § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). The information at issue consists of the personnel file of the named officer. We note section 552.108 is generally not applicable to purely administrative records that do not involve the investigation or prosecution of crime. *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no pet.). You state, however, the release of the remaining information would interfere with criminal investigations and prosecutions as the officer at issue is involved in the pending cases. Based on your representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the

sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.²

In summary, the officer's TCOLE number is not subject to the Act and need not be released to the requestor. The sheriff's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
