Mr. Jim Kachelmeyer
Assistant City Attorney
City of Georgetown
P.O. Box 409
Georgetown, Texas 78627-0409

OR2020-13805

Dear Mr. Kachelmeyer:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 828954 (PIR# G009990-030220).

The City of Georgetown (the "city") received a request for a specified probable cause affidavit and arrest report. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note some of the submitted information, which we marked, consists of information pertaining to the analysis of an individual's blood alcohol content. Section 724.018 of the Transportation Code provides that "[o]n request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen shall be made available to the person or the person's attorney." Transp. Code § 724.018. In this instance, the requestor's client is the person who provided the breath specimens at the request of a peace officer. Although you claim this information is excepted from disclosure under section 552.108 of the Government Code, a specific right of access provision prevails over the Act's general exceptions to disclosure. *See* Open Records Decision No. 451 at 4 (1986) (specific statutory right of access provisions overcome general

exceptions to disclosure under statutory predecessor to Act). Therefore, the city must release the breath analysis results we have marked to this requestor pursuant to section 724.018 of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information pertains to an active criminal investigation or prosecution. Based on this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.¹

In summary, the city must release the breath analysis results we have marked to this requestor pursuant to section 724.018 of the Transportation Code. With the exception of the basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
