ATTORNEY GENERAL OF TEXAS

May 15, 2020

Mr. Andrew Wipke  
Assistant County Attorney  
Fort Bend County  
401 Jackson Street, Third Floor  
Richmond, Texas 77469

OR2020-13837

Dear Mr. Wipke:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 830199.

The Fort Bend County Sheriff's Office (the "sheriff's office") received a request for all reports related to the requestor during a specified time period. The sheriff's office states it is releasing some of the requested information. The sheriff's office claims some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions the sheriff's office claims and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law

<sup>1</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at \*3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Upon review, we agree the information the sheriff's office marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Therefore, the sheriff's office must withhold the information it marked under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the sheriff's office must withhold the motor vehicle record information it marked under section 552.130 of the Government Code.

In summary, the sheriff's office must withhold the information it marked under section 552.101 of the Government Code in conjunction with common-law privacy. The sheriff's office must withhold the motor vehicle record information it marked under section 552.130 of the Government Code. The sheriff's office must release the remaining information to this requestor.<sup>2</sup>

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. <sup>2</sup> We note the requestor has a right of access to some of the information being released. *See* Gov't Code § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Thus, if the sheriff's office receives another request for the same information from a different requestor, the sheriff's office must again seek a decision from this office.
