Dear Mr. Phung:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 828777 (GPCA 20-0059).

The Grand Prairie Police Department (the "department") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The responsive information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. In this instance, the requestor provides the requisite information for the body worn camera recordings at issue. We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion made in a private space, or of a recording involving the investigation of conduct that

¹ We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Occ. Code § 1701.661(f). You state the video recordings at issue pertain to the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You state the department has not received written authorizations for release from all subjects of the recordings. *See id.* Accordingly, we find the department must withhold the submitted body worn camera video recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.² *See* Gov't Code § 552.130. Accordingly, the department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the department must withhold the submitted body worn camera video recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. The department must withhold the motor vehicle record information we marked under section 552.130 of the Government Code. The department must release the remaining information.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ³ We note the requestor has a right of access to some of the information being released in this instance. *See* Gov't Code § 552.023(a) ("person or a person's authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect that person's privacy interests"); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself).
