

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

May 21, 2020

Mr. Phillip J. Smith  
Assistant Criminal District Attorney  
Gregg County  
101 East Methvin, Suite 333  
Longview, Texas 75601

OR2020-14327

Dear Mr. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 832228.

The Gregg County District Attorney's Office (the "district attorney's office") received a request for information pertaining to a specified arrest. The district attorney's office claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."<sup>1</sup> Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c),

<sup>1</sup> The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body. *See* Open Records Decision Nos. 481 at 2 (1987), 480 at 5 (1987).

(c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

The submitted information contains a CR-3 accident report that is subject to chapter 550 of the Transportation Code. The requestor is not a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b), and the district attorney's office must withhold it under section 552.101 of the Government Code. However, section 550.065(c-1) requires the district attorney's office to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident report. Although the district attorney's office asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c-1) prevails and the district attorney's office may not withhold the information under section 552.108 of the Government Code. Therefore, the district attorney's office must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code.

The remaining information contains a search warrant that was filed with the court. Subject to section 552.022(a)(17) of the Government Code provides the following:

Without limiting the amount or kind of information that is public information under this chapter, the following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(17) information that is also contained in a public court record[.]

Gov't Code § 552.022(a)(17). Section 552.108 is discretionary and does not make information confidential under the Act. *See* Open Records Decision No. 177 (1977) (governmental body may waive statutory predecessor to section 552.108); *see also* Open Records Decision No. 665 at 2 n.5 (2000) (discretionary exceptions generally). Therefore, the district attorney's office may not withhold the submitted search warrant, which is subject to section 552.022(a)(17), under section 552.108.

Section 552.108(a) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the information at issue would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706, 710 (Tex. 1977). We note the remaining information includes a DIC-24 statutory warning, a DIC-25 notice of suspension,

and citations. Because the district attorney's office provided copies of these forms and citations to the arrestee, we find their release will not interfere with the detection, investigation, or prosecution of crime. Therefore, the district attorney's office may not withhold the submitted DIC-24 statutory warning, DIC-25 notice of suspension, or citations under section 552.108(a)(1). The district attorney's office states the remaining information relates to a pending criminal investigation. Based on this representation, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177, 186-87 (Tex. Civ. App.—Houston [14th Dist.] 1975) (delineating law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

Section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the DIC-24 statutory warning, the submitted DIC-25 notice of suspension, citations, and basic information, the district attorney's office may withhold the remaining information under section 552.108(a)(1) of the Government Code.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The Third Court of Appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. See *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at \*3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). The district attorney's office must withhold the date of birth of the arrestee in the DIC-24 statutory warning, the submitted DIC-25 notice of suspension, and citations under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. See Gov't Code § 552.130. The district attorney's office must withhold the submitted driver's license number, license plate number, vehicle identification number, and issuing state in the DIC-24 statutory warning, the submitted DIC-25 notice of suspension, and citations under section 552.130 of the Government Code.

In summary, the district attorney's office must withhold the submitted accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code, but release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code. The district attorney's office must release the submitted search warrant pursuant to section 552.022(a)(17) of the Government Code. With the exception of the submitted DIC-24 statutory warning, the submitted DIC-25 notice of suspension, citations, and basic information, the district attorney's office may withhold the remaining information under section 552.108(a)(1) of the Government Code. However, in releasing DIC-24 statutory warning, the submitted DIC-25 notice of suspension, citations,

and basic information, the district attorney's office must withhold the arrestee's date of birth under section 552.101 of the Government Code in conjunction with common-law privacy and the driver's license number, license plate number, vehicle identification number, and issuing state under section 552.130 of the Government Code.
