Ms. Stacey Cormican

OR2020-14445

Dear Ms. Cormican:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 829645.

The City of San Antonio Public Service Board d/b/a CPS Energy ("CPS") received a request for the final proposals pertaining to a specified request for proposals. You claim the submitted information is excepted from disclosure under section 552.104 of the Government Code. You also state release of the submitted information may implicate the interests of GDS Associates, Inc. d/b/a HiLine Engineering; InfraSource Installation, LLC.; and Pike Engineering, LLC. Accordingly, you state you notified these third parties of the request for information and of their rights to submit arguments stating why their information should not be released. *See* Gov't Code § 552.305 (permitting interested third party to submit to attorney general reasons why requested information should not be released); Open Records Decision No. 542 (1990) (determining statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in certain circumstances). We have considered the exception you claim and reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why requested information relating to it should be withheld from disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, this office has not received comments from the third parties explaining why their information should not be released to the requestor. Thus, we have no basis to conclude the release of the submitted information would implicate the third parties' interests, and none of the submitted information may be withheld on that basis. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of

requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3.

Section 552.104(a) of the Government Code excepts from disclosure information that a governmental body demonstrates, if released, would “harm its interests by providing an advantage to a competitor or bidder in a particular ongoing competitive situation or in a particular competitive situation where the governmental body establishes the situation at issue is set to reoccur or there is a specific and demonstrable intent to enter into the competitive situation again in the future.” Gov’t Code § 552.104(a). The “test under section 552.104 is whether knowing another bidder’s [or competitor’s information] would be an advantage, not whether it would be a decisive advantage.” *Boeing Co. v. Paxton*, 466 S.W.3d 831, 841 (Tex. 2015). After review of the information at issue and consideration of the arguments, we find you have failed to demonstrate the applicability of section 552.104 to the information at issue. Thus, we conclude CPS may not withhold the submitted information under section 552.104(a). As no further exceptions have been raised, CPS must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Lindsay E. Hale
