

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 26, 2020

Mr. Mark T. Bessent
Counsel for the City of Early
205 North Center Avenue
Brownwood, Texas 76801

OR2020-14591

Dear Mr. Bessent:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 830057.

The City of Early (the "city"), which you represent, received a request for a particular offense report.¹ You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we must address the city's obligations under section 552.301 of the Government Code, which prescribes the procedural obligations that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the claimed exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the

¹ As you have not submitted a copy of the request for information for our review, we take our description from your brief to our office. Further, you state the city sought and received clarification of the request for information. See Gov't Code § 552.222(b) (stating if information requested is unclear to governmental body or if large amount of information has been requested, governmental body may ask requestor to clarify or narrow request, but may not inquire into purpose for which information will be used); *City of Dallas v. Abbott*, 304 S.W.3d 380 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. Gov't Code § 552.301(e)(1)(A)-(D). You inform us the city received the request for information on March 4, 2020. However, as of the date of this letter, you have not submitted to this office a copy of the written request for information. Accordingly, we conclude the city failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). The city claims sections 552.101 and 552.108 of the Government Code for the submitted information. Because section 552.101 can provide a compelling reason to overcome the presumption of openness, we will address your argument under this section for the submitted information. However, we find you have failed to establish a compelling reason to address the remaining exception you claim.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov't Code § 552.101. Section 552.101 encompasses section 58.008 of the Family Code, which provides, in part:

(b) Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise from which a record could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult records;

(2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b)); *see also id.* § 51.03 (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See id.* § 51.02(2) (defining “child” for purposes of title 3 of Family Code). We find the submitted information involves a juvenile offender, so as to fall within the scope of section 58.008(b). The exceptions in section 58.008 do not appear

to apply. Therefore, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
