Mr. James Kopp
Assistant City Attorney
City of San Antonio

OR2020-14719

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 831098 (COSA File No. W309820).

The City of San Antonio (the "city") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82.

The submitted information pertains to a report of alleged sexual assault. In Open Records Decision No. 393 (1983), this office conclude generally, only information that either identifies or tends to identify a victim of sexual assault or other sex-related offense may be withheld under common-law privacy; however, because the identifying information was

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

inextricably intertwined with other releasable information, the governmental body was required to withhold the entire report. ORD 393 at 2; *see* Open Records Decision No. 339 (1982); *see also Morales v. Ellen*, 840 S.W.2d 519 (Tex. App.—El Paso 1992, writ denied) (identity of witnesses to and victims of sexual harassment was highly intimate or embarrassing information and public did not have legitimate interest in such information); Open Records Decision No. 440 (1986) (detailed descriptions of serious sexual offenses must be withheld). The requestor in this case knows the identity of the alleged victim. We believe in this instance, withholding only identifying information from the requestor would not preserve the victim's common-law right to privacy. We conclude, therefore, the city must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with common-law privacy.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Kimbell Kesling
