

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 28, 2020

Mr. Michael T. Garner
Assistant City Attorney
City of Conroe
P.O. Box 3066
Conroe, Texas 77305

OR2020-14841

Dear Mr. Garner:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 834133.

The City of Conroe (the "city") received a request for information pertaining to a specified motor vehicle accident. You state some of the submitted information was not properly requested under chapter 1701 of the Occupations Code. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the submitted arguments and reviewed the submitted information.

Initially, we note the only submitted video and audio recordings pertaining to the specified incident. We assume, to the extent any additional responsive information existed when the city received the request for information, the city has released it. If not, then the city must do so immediately. *See Gov't Code §§ 552.006, .301, .302; Open Records Decision No. 664 (2000).*

Next, we note the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recordings at issue were not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.108(a)(2) of the Government Code exempts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov’t Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the information at issue relates to a criminal investigation that has concluded in a final result other than conviction or deferred adjudication. *See id.* §§ 552.108(a)(2), .301(e)(1)(A). The city states the information at issue pertains to a case that concluded in a result other than conviction or deferred adjudication. Therefore, we agree section 552.108(a)(2) is applicable to this information. Accordingly, the city may withhold the remaining information under section 552.108(a)(2) of the Government Code.

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The city may withhold the remaining information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and
