Assistant City Attorney

OR2020-14940

Dear Ms. Armstrong:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 831185 (ORR No. D004921).

The Dallas Police Department (the "department") received a request for information pertaining to a specified incident. You state the department released some information. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, 552.130, and 552.136 of the Government Code.¹ We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

¹ We note you did not comply with section 552.301 of the Government Code in requesting this decision. *See* Gov't Code § 552.301(b), (e). Nonetheless, the need of a governmental body, other than the governmental body that failed to timely seek an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 (1991). Further, because sections 552.101, 552.130, and 552.136 of the Government Code can provide compelling reasons to overcome the presumption of openness, we will consider their applicability to the submitted information. *See* Gov't Code §§ 552.007, .302, .352.

² We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Section 552.108(a)(1) of the Government Code exempts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information you marked pertains to an open criminal case. You have provided documentation from the Dallas County District Attorney’s Office (the “district attorney’s office”) objecting to the release of the information at issue because release will interfere with the detection, investigation, or prosecution of crime. Based on your representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). The department may withhold the information you marked under section 552.108(a)(1) of the Government Code on behalf of the district attorney’s office.³

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130. We note the purpose of section 552.130 is to protect the privacy interests of individuals. Because the right of privacy lapses at death, motor vehicle record information that pertains solely to deceased individuals may not be withheld under section 552.130. *See Moore v. Charles B. Pierce Film Enters., Inc.*, 589 S.W.2d 489, 491 (Tex. App.—Texarkana 1979, writ ref’d n.r.e.); *see also* Attorney General Opinions JM-229 (1984); H-917 (1976); Open Records Decision No. 272 (1981) (“the right of privacy is personal and lapses upon death”). Accordingly, except for the motor vehicle record information of the deceased individual, the department must withhold the information you marked under section 552.130 of the Government Code.

In summary, the department may withhold the information you marked under section 552.108(a)(1) of the Government Code on behalf of the district attorney’s office. Except for the motor vehicle record information of the deceased individual, the department must withhold the information you marked under section 552.130 of the Government Code.
