June 2, 2020

Mr. Adam Anderson
Assistant County Attorney
Montgomery County Attorney's Office
501 North Thompson, Suite 300
Conroe, Texas 77301

OR2020-15079

Dear Mr. Anderson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 832710 (ORR# 20PIA097).

The Montgomery County Sheriff's Office (the "sheriff's office") received a request for information related to a specified incident involving a named individual. The sheriff's office claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the sheriff's office claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987).

Generally, only highly intimate information that implicates the privacy of an individual is withheld. However, in certain instances, where it is demonstrated the requestor knows the identity of the individual involved as well as the nature of certain incidents, the entire report must be withheld to protect the individual's privacy. The sheriff's office seeks to withhold

the entirety of the submitted information under section 552.101 in conjunction with common-law privacy. However, the sheriff's office has not demonstrated, nor does it otherwise appear, this is a situation in which the entirety of the information at issue must be withheld on the basis of common-law privacy. Accordingly, the sheriff's office may not withhold the entirety of the submitted information under section 552.101 of the Government Code on that basis. Upon review, we find some of the submitted information, which we marked, satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Therefore, the sheriff's office must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. However, we find the sheriff's office has not demonstrated any of the remaining information at issue is highly intimate or embarrassing and not of legitimate public concern. Thus, the sheriff's office may not withhold any portion of the remaining information under section 552.101 in conjunction with common-law privacy. The sheriff's office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
