ATTORNEY GENERAL OF TEXAS

June 2, 2020

Mr. Thomas McMillian  
Assistant City Attorney  
City of Amarillo  
200 Southeast Third Avenue, Fourth Floor  
Amarillo, Texas 79101

OR2020-15205

Dear Mr. McMillian:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 832648 (ORR# 20-850).

The Amarillo Police Department (the "department") received a request for video recordings related to a specified car crash. The department claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). Upon review of the information at issue, we determine the requestor provided the information required by section 1701.661(a) of the Occupations

Code for release of the body worn camera recording at issue. However, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

*Id.* § 1701.661(f). The department states the video recording at issue consists of a body worn camera recording involving an investigation of conduct that constitutes a misdemeanor punishable by fine only and that did not result in an arrest. The department states it does not have permission for release from all of the subjects of the recording at issue. *See id.* Accordingly, we find the department must withhold the body worn camera recording under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
