Mr. Andrew Wipke  
Assistant County Attorney  
Fort Bend County Attorney's Office

Dear Mr. Wipke:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 832747.

The Fort Bend County Sheriff's Office (the "sheriff's office") received a request for four specified incident reports. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the confidentiality provisions found in chapter 55 of the Code of Criminal Procedure. Articles 55.01 through 55.05 of the Code of Criminal Procedure provide for the expunction of criminal records in certain limited circumstances. Article 55.03 prescribes the effect of an expunction order and provides as follows:

When the order of expunction is final:

- (1) the release, maintenance, dissemination, or use of the expunged records and files for any purpose is prohibited;
- (2) except as provided in Subdivision (3) of this article, the person arrested may deny the occurrence of the arrest and the existence of the expunction order; and
- (3) the person arrested or any other person, when questioned under oath in a criminal proceeding about an arrest for which the records

have been expunged, may state only that the matter in question has been expunged.

Crim. Proc. Code art. 55.03. Article 55.04 imposes sanctions for violations of an expunction order and provides, in part, the following:

Sec. 1. A person who acquires knowledge of an arrest while an officer or employee of the state or of any agency or other entity of the state or any political subdivision of the state and who knows of an order expunging the records and files relating to that arrest commits an offense if he knowingly releases, disseminates, or otherwise uses the records or files.

*Id.* art. 55.04, § 1. This office has determined records subject to an expunction order are not subject to public disclosure under the Act. *See* Open Records Decision No. 457 at 2 (1987) (governmental body prohibited from releasing or disseminating arrest records subject to expunction order, as “those records are not subject to public disclosure under the [Act]”). You state the submitted information is the subject of an expunction order and have submitted a copy of that order. Upon review, we agree the sheriff’s office must withhold the submitted information under section 552.101 of the Government Code in conjunction with article 55.03 of the Code of Criminal Procedure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
