Dear Ms. Hayward

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 832252 (Ref. No. R001475-033020).

The City of Pharr (the "city"), who you represent, received a request for information pertaining to a named individual. You state you released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 of the Government Code encompasses information protected by other statutes, such as section 1703.306 of the Occupations Code, which provides:

(a) A polygraph examiner, trainee, or employee of a polygraph examiner, or a person for whom a polygraph examination is conducted or an employee of the person, may not disclose information acquired from a polygraph examination to another person other than:

(1) the examinee or any other person specifically designated in writing by the examinee;

- (2) the person that requested the examination;
- (3) a member, or the member's agent, of a governmental agency that licenses a polygraph examiner or supervises or controls a polygraph examiner's activities;
- (4) another polygraph examiner in private consultation; or
- (5) any other person required by due process of law.

(b) The [Texas Department of Licensing and Regulation] or any other governmental agency that acquires information from a polygraph examination under this section shall maintain the confidentiality of the information.

Occ. Code § 1703.306(a), (b). Portions of the submitted information consist of information acquired from polygraph examinations. The requestor does not fall within any of the categories of individuals who have a right of access to the submitted polygraph information under section 1703.306(a). Accordingly, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 1703.306 of the Occupations Code. However, the city has failed to demonstrate any portion of the remaining information is information acquired from a polygraph examination. Thus, the city may not withhold the remaining information under section 552.101 of the Government Code in conjunction with section 1703.306 of the Occupations Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
