

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 17, 2020

Mr. Trey Qualls
Assistant City Attorney
City of Fort Worth
200 Texas Street, 3rd Floor
Fort Worth, Texas 76102

OR2020-16282

Dear Mr. Qualls:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 832802 (PIR No. W100010).

The City of Fort Worth (the "city") received a request for fourteen categories of information pertaining to a specified motor vehicle accident involving the requestor's client. You state you have released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information consists of a recording from a city police department officer's body worn camera. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code states the information a requestor must provide when seeking a body worn camera recording. *See* Occ. Code § 1701.661(a). We note the requestor provides the requisite information for the body worn camera recording at issue. However, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the

recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). You state the submitted recording pertains to the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You also state you have not received a written authorization for release from all of the subjects of the recording. *See id.* Accordingly, we find the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

Finally, the city asks this office to issue a previous determination that would permit it to withhold certain body worn camera recordings subject to section 1701.661(f) of the Occupations Code under section 552.101 of the Government Code without the necessity of requesting a decision from this office. We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
