ATTORNEY GENERAL OF TEXAS

June 17, 2020

Ms. Stephanie N. Neal  
Assistant City Attorney  
City of Mesquite  
P.O. Box 850137  
Mesquite, Texas 75185-0137

OR2020-16294

Dear Ms. Neal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 832698.

The Mesquite Police Department (the "department") received a request for information pertaining to a particular motor vehicle accident. You state the department will redact the telephone numbers of 9-1-1 callers and dates of birth pursuant to Open Records Letter Nos. 2011-15075 (2011), 2011-15761 (2011), and 2015-24970 (2015).<sup>1</sup> You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.008 of the Family Code, which provides, in part:

---

<sup>1</sup> Open Records Letter Nos. 2011-15075 and 2011-15761 are previous determinations issued to the department authorizing it to withhold the telephone numbers and addresses of 9-1-1 callers under section 552.101 of the Government Code in conjunction with section 772.118 of the Health and Safety Code without requesting a decision from this office. Open Records Letter No. 2015-24970 is a previous determination issued to the department authorizing it to withhold the dates of birth of public citizens under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a decision from this office.

(b) Except as provided by Subsection (c), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult records;

(2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* § 51.03(a) (defining “delinquent conduct” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. *See* Act of May 28, 2017, 85th Leg., R.S., ch. 746, § 22. The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining “child” for purposes of title 3 of Family Code). Section 58.008 does not make information related to traffic offenses confidential. *See id.* §§ 51.02(16) (defining traffic offense), .03(a) (delinquent conduct for purposes of title 3 of Family Code does not include traffic offenses), .03(b) (conduct indicating a need for supervision does not include traffic offense). Upon review, we find the department has failed to demonstrate the information at issue identifies an individual who is ten years of age or older and under the age of seventeen as a suspect or offender of delinquent conduct or conduct indicating a need for supervision. Therefore, the department may not withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.008 of the Family Code.

Section 552.101 of the Government Code also encompasses section 143.090 of the Local Government Code. You state the department is a civil service city under chapter 143 of the Local Government Code. Section 143.090 provides:

A department . . . or municipality may not release a photograph that depicts a police officer unless:

(1) the officer has been charged with an offense by indictment or by information;

(2) the officer is a party in a civil service hearing or a case before a hearing examiner or in arbitration;

(3) the photograph is introduced as evidence in a judicial proceeding;  
or

(4) the officer gives written consent to the release of the photograph.

Local Gov't Code § 143.090. You state some of submitted photographs depict police officers. You do not inform us the police officers depicted in the photographs at issue have provided the department with written consent regarding the release of the photographs. You indicate none of the remaining exceptions under section 143.090 are applicable. Therefore, the department must withhold the submitted photographs of police officers under section 552.101 in conjunction with section 143.090.<sup>2</sup>

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. We note section 552.130 protects personal privacy. Thus, the requestor has a right of access to motor vehicle record information pertaining to the requestor's client and this information may not be withheld from this requestor under section 552.130 of the Government Code. *See id.* § 552.023(a) (person or person's authorized representative has special right of access to records that contain information relating to the person that are protected from public disclosure by laws intended to protect that person's privacy interests); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning himself). Accordingly, with the exception of the information belonging to the requestor's client, the department must withhold the driver's license, license plate, vehicle identification, and registration information contained in the submitted video recordings and photographs under section 552.130.

In summary, the department must withhold the submitted photographs of police officers under section 552.101 of the Government Code in conjunction with section 143.090 of the Local Government Code. With the exception of the information belonging to the requestor's client, the department must withhold the driver's license, license plate, vehicle identification, and registration information contained in the submitted video recordings and photographs under section 552.130 of the Government Code. The department must release the remaining information.<sup>3</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>2</sup> As our ruling is dispositive, we need not address the remaining argument against disclosure of this information.

<sup>3</sup> We note the requestor has a right of access to certain information pertaining to his client pursuant to section 552.023 of the Government Code. *See* Gov't Code § 552.023(a); ORD 481 at 4. To the extent the department receives another request for this information from an individual without such a right of access, we note section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e).

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
