

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 18, 2020

Ms. Kristy Cole
City Secretary
City of Rockwall
385 South Goliad Street
Rockwall, Texas 75087

OR2020-16296

Dear Ms. Cole:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 836213 (Reference No. P005435-051120).

The City of Rockwall (the "city") received a request for certain information related to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the requestor only seeks field test results and the breath alcohol report related to the specified incident. Accordingly, the remaining information is not responsive, and the city is not required to release such information in response to the instant request.

Section 724.018 of the Transportation Code provides that, on the request of the person who has given a specimen at the request of a peace officer, full information concerning the analysis of the specimen must be made available to that person or the person's attorney. Transp. Code § 724.018. Although you claim the information is excepted from disclosure under section 552.108 of the Government Code, a specific right of access provision prevails over the Act's general exceptions to disclosure. *See* Open Records Decision No. 451 at 4 (specific statutory right of access provisions overcome general exception to disclosure under the Act). In this instance, the requestor is the person who provided the specimens at the request of a peace officer. Accordingly, the submitted responsive information must be released to this requestor pursuant to section 724.018 of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
