

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

July 7, 2020

Mr. Juan A. Roque  
Assistant District Attorney  
Bexar County Criminal District Attorney's Office  
101 West Nueva Street, 7<sup>th</sup> Floor  
San Antonio, Texas 78205

OR2020-16967

Dear Mr. Roque:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 835107 (File No. 8428; ME 19-3236).

The Bexar County Medical Examiner's Office (the "medical examiner's office") received a request for fingerprint information related to a named individual. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note, and you acknowledge, the medical examiner's office has not complied with the time periods prescribed by section 552.301 of the Government Code in seeking an open records decision from this office. *See* Gov't Code § 552.301(b), (e). Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). The need of a governmental body, other than the governmental body that failed to timely seek an open records decision, to withhold information under section 552.108 of the Government Code can provide a compelling reason sufficient to overcome the presumption of openness. *See* Open Records Decision No. 586 (1991). You inform us, and provide documentation demonstrating, the Bexar County Criminal District Attorney's Office (the "district attorney's office") objects to the release of the information at issue. Thus, we will consider whether the medical examiner's office may withhold the submitted information under section 552.108 of the

Government Code on behalf of the district attorney's office. Further, because section 552.101 of the Government Code can provide a compelling reason to overcome the presumption of openness, we will also consider your argument under this section for the information at issue.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must explain how and why release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(a); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a governmental body has custody of information relating to a pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld. You inform this office, and provide a representation confirming, the district attorney’s office objects to release of the information at issue because release would interfere with a pending criminal prosecution. Based on this representation and our review, we conclude section 552.108(a)(1) is applicable in this instance. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.— Houston [14th Dist] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the medical examiner’s office may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the district attorney’s office.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
