Ms. Dyanne Hargrove
Paralegal
City of Cedar Park

OR2020-17044

Dear Ms. Hargrove:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 835205 (City Reference Number 20-780).

The City of Cedar Park (the "city") received a request for information related to a motor vehicle accident involving the requestor's clients.¹ You claim the submitted information is excepted from disclosure under sections 552.103 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.²

Initially, we note the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

¹ You state the city sought and received clarifications of the request for information. *See* Gov't Code 552.222(b) (stating if information requested is unclear to governmental body or if large amount of information has been requested, governmental body may ask requestor to clarify or narrow request, but may not inquire into purpose for which information will be used); *City of Dallas v. Abbott*, 304 S.W.3d 380 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

² We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code. § 552.022(a)(1). The submitted information consists of a completed investigation that is subject to section 552.022(a)(1). The city must release the submitted information pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or expressly made confidential under the Act or other law. Although you raise section 552.103 of the Government Code for the submitted information, this section is a discretionary exception to disclosure and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, none of the submitted information, which is subject to section 552.022(a)(1), may be withheld under section 552.103. However, we will consider your argument to withhold the submitted information under section 552.108(a)(2) of the Government Code. *See* Gov't Code § 552.022(a)(1).

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *Id.* § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A); Open Records Decision No. 434 (1986). You state the submitted information pertains to a criminal investigation that did not result in conviction or deferred adjudication. Based on this representation, we agree section 552.108(a)(2) applies to the submitted information.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov't Code § 552.108(c). Section 552.108(c) refers to the basic information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). *See also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information, which the city must release, the city may withhold the submitted information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open->
