

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 8, 2020

Ms. Judy Hickman
Assistant Supervisor
Beaumont Police Department
P.O. Box 3827
Beaumont, Texas 77704

OR2020-17051

Dear Mr. Hickman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 835273 (ORR# 2020003288).

The Beaumont Police Department (the "department") received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, 552.130, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the department has only submitted audio and video recordings pertaining to the specified incident. Although you state the department submitted a representative sample of information, the submitted information is not representative of all of the types of information requested. This open records letter applies to only the types of information you have submitted for our review. Therefore, this ruling does not authorize the withholding of any other requested records to the extent those records contain substantially different types of information than that submitted to this office. *See* Gov't Code § 552.302 (where request for attorney general decision does not comply with requirements of section 552.301 of the Government Code, information at issue is presumed to be public). Thus, to the extent categories of information responsive to the request existed and were maintained by the department on the date the department received the request for information, we presume the department has released such information. If not, the department must do so at this time. *See id.* §§ 552.301, .302; *see also* Open Records Decision No. 664 (2000) (if

governmental body concludes that no exceptions apply to the requested information, it must release the information as soon as possible).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The department states the submitted information pertains to an active criminal investigation or prosecution. Based on this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG’s Open Government Hotline, toll free, at (877) 673-6839. Meagan Hunter

¹ As our ruling is dispositive, we need not address the remaining arguments against disclosure of the submitted information, including the applicability of section 1701.661(a) of the Occupations Code to the submitted video recordings. *See generally* Occ. Code § 1701.661(a), (e).
