Williamson County Sheriff's Office

Dear Ms. Hutson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 835468.

The Williamson County Sheriff's Office (the "sheriff's office") received a request for all information related to a specified incident and all information related to a specified animal within a certain date range. You state the sheriff's office will withhold dates of birth pursuant to the previous determination issued in Open Records Letter No. 2016-21706 (2016).¹ You claim some of the submitted information was not properly requested pursuant to section 1701.661(a) of the Occupations Code. You also claim some of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered your arguments and reviewed the submitted information.

Initially, we note the submitted information includes a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

(1) the date and approximate time of the recording;

¹ Open Records Letter No. 2016-21706 is a previous determination issued to the sheriff's office authorizing it to withhold the dates of birth of public citizens under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a decision from this office.

(2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, we agree the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recording at issue was not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released.² However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov’t Code § 552.130. Accordingly, the sheriff’s office must withhold the motor vehicle record information you marked under section 552.130 of the Government Code.

In summary, as the body worn camera recording at issue was not properly requested pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The sheriff’s office must withhold the motor vehicle record information you marked under section 552.130 of the Government Code. The sheriff’s office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Deborah Southerland
Assistant Attorney General
