OR2020-17520

Dear Mr. Page:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 836645.

The City of Lancaster (the "city"), which you represent, received a request for information pertaining to the requestor. The city claims the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Initially, we note the city only submitted a portion of the requested information. We assume, to the extent any additional responsive information existed when the city received the request for information, the city has released it. If not, then the city must do so immediately. *See* Gov't Code §§ 552.006, .301, .302; Open Records Decision No. 664 (2000).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Because section 552.130 protects personal privacy, the requestor has a right of access to his own motor vehicle record information pursuant to section 552.023 of the Government Code. *See id.* § 552.023(a) ("person's authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect that person's privacy interests"); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual

requests information concerning herself). Therefore, the city may not withhold any of the submitted information, which pertains to the requestor, under section 552.130 of the Government Code.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses chapter 411 of the Government Code, which pertains to criminal history record information (“CHRI”) generated by the National Crime Information Center or by the Texas Crime Information Center. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI that states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code makes CHRI the Texas Department of Public Safety (“DPS”) maintains confidential, except DPS may disseminate this information as provided in subchapters E-1 and F of chapter 411 of the Government Code. *See* Gov’t Code § 411.083(a). Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI, but a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Thus, any CHRI generated by the federal government or another state may not be made available to the requestor except in accordance with federal regulations. *See* ORD 565. However, driving record information is not made confidential by the confidentiality provisions that govern CHRI. *See* Gov’t Code § 411.082(2)(B) (definition of CHRI does not include driving record information). In addition, section 411.083 does not apply to active warrant information or other information relating to one’s current involvement with the criminal justice system. *See id.* § 411.081(b) (police department allowed to disclose information pertaining to person’s current involvement in the criminal justice system). Upon review, we find some of the information at issue, which we have marked, is confidential under section 411.083. Therefore, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code.¹ However, the remaining information does not contain CHRI for purposes of chapter 411. Accordingly, the remaining information is not confidential under chapter 411, and the city may not withhold it under section 552.101 of the Government Code on that ground. Thus, the city must release the remaining information.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

¹ We note individuals may obtain their own criminal record history information from DPS. *See* Gov’t Code § 411.083(b)(3).

² Because the requestor has a special right of access to some of the information being released, the city must again seek a decision from this office if it receives another request for the same information from another requestor.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,
