

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 16, 2020

Mr. Patrick Vollmer
Assistant General Counsel
Texas Department of Criminal Justice
P.O. Box 4004
Huntsville, Texas 77342-4004

OR2020-17645

Dear Mr. Vollmer:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 836961 (ORR Nos. JN0065 & JN0066).

The Texas Department of Criminal Justice (the "department") received a request for records related to a named individual. The department claims the submitted information is excepted from disclosure under sections 552.101, 552.108, 552.111, and 552.134 of the Government Code. We have considered the exceptions the department claims and reviewed the submitted representative sample of information.¹

Section 552.134 of the Government Code provides, in relevant part:

(a) Except as provided by Subsection (b) or by Section 552.029, information obtained or maintained by the [department] is excepted from the requirements of Section 552.021 if it is information about an inmate who is confined in a facility operated by or under a contract with the department.

Gov't Code § 552.134(a). The department states the submitted information concerns an inmate confined in a facility operated by the department. The department states section 552.029 of the Government Code does not apply to the information at issue. Thus, we agree the information at issue is subject to section 552.134 of the Government Code.

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Therefore, the department must withhold the submitted information under section 552.134 of the Government Code.²

The department also asks this office to issue a previous determination that would permit it to withhold Federal Bureau of Investigation numbers under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code and federal law without requesting a ruling from this office. Open Records Decision No. 673 (2001). We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Public Information Act may be directed to the Cost Rules Administrator of the OAG, toll free, at (888) 672-6787.

Sincerely,

Claire V. Morris Sloan
Assistant Attorney General
Open Records Division
