

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

July 16, 2020

Ms. Judy Hickman
Assistant Supervisor
Beaumont Police Department
P.O. Box 3827
Beaumont, Texas 77704

OR2020-17719

Dear Ms. Hickman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 837294.

The Beaumont Police Department (the "department") received a request for information pertaining to a specified incident. You state the body worn camera recordings were not properly requested pursuant to Chapter 1701 of the Occupations Code. You claim the submitted information is excepted from disclosure under sections 552.101, 552.108, 552.130, and 552.137 of the Government Code. We have considered the submitted arguments and reviewed the submitted representative sample of information.¹

Initially, we note the submitted information includes peace officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

(1) the date and approximate time of the recording;

¹ We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the submitted body worn camera recordings were not properly requested pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Next, we note some of the remaining information consists of grand jury subpoenas. The judiciary is expressly excluded from the requirements of the Act. Gov’t Code § 552.003(1)(B). This office has determined for purposes of the Act, a grand jury is a part of the judiciary and therefore not subject to the Act. *See* Open Records Decision No. 411 (1984). Further, records kept by a governmental body that is acting as an agent for a grand jury are considered records in the constructive possession of the grand jury, and are also not subject to the Act. *See* Open Records Decisions Nos. 513 (1988), 411, 398 (1983). The fact that information collected or prepared by another person or entity is submitted to the grand jury does not necessarily mean such information is in the grand jury’s constructive possession when the same information also is held in the other person’s or entity’s own capacity. Information held by another person or entity but not produced at the direction of the grand jury may well be protected under one of the Act’s specific exceptions to disclosure, but such information is not excluded from the reach of the Act by the judiciary exclusion. *See* ORD 513. Thus, to the extent the department holds the grand jury subpoenas solely as an agent of the grand jury, such information consists of records of the judiciary that are not subject to disclosure under the Act, and the department is not required to release that information in response to the instant request. To the extent the department holds the information at issue in its own capacity and not solely as an agent of the grand jury, we will address your arguments against its disclosure.

Next, we note the remaining information includes search warrants, which are subject to section 552.022 of the Government Code. Section 552.022(a)(17) provides for the required public disclosure of “information that is also contained in a public court record” unless it is “made confidential under [the Act] or other law[.]” Gov’t Code § 552.022(a)(17). Although you raise section 552.108 of the Government Code for this information, section 552.108 is a discretionary exception and does not make information confidential under the Act. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). Accordingly, the department may not withhold the submitted search warrants under section 552.108. We also note common-law privacy is not applicable to information contained in public court records. *See Star-Telegram v. Walker*, 834 S.W.2d 54 (Tex. 1992). Therefore, no portion of the court-filed documents may be withheld under section 552.101 of the Government Code in conjunction

with common-law privacy. We will next consider the raised argument for the information not subject to section 552.022.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is a person listed under section 550.065(c). Although you assert section 552.108 to withhold the information, a statutory right of access prevails over the Act’s general exceptions to public disclosure. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor’s statutory access under section 550.065(c) prevails and the department may not withhold the CR-3 accident report under section 552.108 of the Government Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information at issue relates to a pending criminal prosecution. Based upon this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the information at issue.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See 531 S.W.2d at 186-88; see also* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information

deemed public by *Houston Chronicle*). Thus, with the exception of basic information, which must be released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the submitted body worn camera recordings were not properly requested pursuant to chapter 1701 of the Occupations Code and need not be released. To the extent the department holds the grand jury subpoenas solely as an agent of the grand jury, such information consists of records of the judiciary that are not subject to disclosure under the Act, and the department is not required to release that information in response to the instant request. The department must release the submitted search warrants pursuant to section 552.022(a)(17) of the Government Code. The department must release the accident report to this requestor pursuant to section 550.065(c) of the Transportation Code. With the exception of basic information, which must be released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
