Mr. Micheal E. Jimerson  
County and District Attorney  
Rusk County  
115 North Main, Suite 302

OR2020-18335

Dear Mr. Jimerson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 837216.

The Rusk County Sheriff's Office (the "sheriff's office") received a request for information related to reports involving the requestor during a specified time period. The sheriff's office claims the submitted information is excepted from disclosure under section 552.108 of the Government Code.<sup>1</sup> We have considered the submitted arguments and reviewed the submitted information.

The sheriff's office seeks to withhold the submitted information pursuant to article 39.14 of the Code of Criminal Procedure. However, we note article 39.14 governs the discovery of information and testimony of witnesses in criminal proceedings. *See* Crim. Proc. Code art. 39.14. Article 39.14 does not expressly make information confidential for purposes of the Act. *See* Open Records Decision Nos. 658 at 4 (1998) (statutory confidentiality under section 552.101 must be express, and confidentiality requirement will not be implied from statutory structure), 478 at 2 (1978) (statutory confidentiality requires express language making certain information confidential or stating that information shall not be released to public); *see also* Open Records Decision No. 575 at 2 (1990) (explicitly stating discovery privileges are not covered by statutory predecessor to section 552.101). Therefore, the sheriff's office may not withhold any of the submitted information under article 39.14 of the Code of Criminal Procedure.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or

<sup>1</sup> Although the sheriff's office does not cite to section 552.108 of the Government Code in its brief, we understand the sheriff's office to raise this exception based on the substance of its argument.

prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The sheriff’s office states the submitted information pertains to an active criminal investigation or prosecution. Based on this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, which must be released, the sheriff’s office may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
