Dear Ms. Doshier:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 836872 (Ref. No. 115579).

The City of Allen (the "city"), which you represent, received a request for information pertaining to a named individual, including four specified incidents. You state the city does not possess some of the requested information.¹ You state the city has released some of the requested information. You also state the city will withhold certain motor vehicle record information pursuant to section 552.130(c) of the Government Code, social security numbers pursuant to section 552.147(b) of the Government Code, and dates of birth pursuant to Open Records Letter Number 2018-11817 (2018).² You claim the submitted

¹ The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

² Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See Gov't Code* § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting an attorney general decision under the Act. *See id.* § 552.147(b). Open Records Letter No. 2018-11817 is a previous determination issued to the city authorizing it to withhold the dates of birth of public citizens under section 552.101 of the Government Code in conjunction with common-law privacy without seeking a ruling from this office. *See* Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301 (a) of the Government Code).

information is excepted from disclosure under sections 552.101, 552.108, and 552.142 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.142 of the Government Code is applicable to records of certain deferred adjudications. Section 552.142 provides as follows:

(a) Information is excepted from [required public disclosure] if an order of nondisclosure of criminal history record information with respect to the information has been issued under Subchapter E-1, Chapter 411 [of the Government Code].

(b) A person who is the subject of information that is excepted from [required public disclosure] under this section may deny the occurrence of the criminal proceeding to which the information relates and the exception of the information under this section, unless the information is being used against the person in a subsequent criminal proceeding.

Gov't Code § 552.142. Section 411.0725 of the Government Code authorizes a person placed on deferred adjudication community supervision for certain offenses to petition the court "for an order of nondisclosure," which prohibits criminal justice agencies from disclosing to the public criminal history record information related to the offense giving rise to the deferred adjudication community supervision. *Id.* § 411.0725(b)-(e). The city explains, and has provided documentation reflecting, an order of nondisclosure was issued pursuant to subchapter E-1, chapter 411 of the Government Code prohibiting the release of the information at issue. Therefore, we find the information you marked is subject to the order of nondisclosure and the city must withhold the marked information under section 552.142 of the Government Code.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *Id.* § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A); Open Records Decision No. 434 (1986). You state the information you marked pertains to a criminal investigation that did not result in conviction or deferred adjudication. Based on this representation, we agree section 552.108(a)(2) is applicable to the information at issue. Accordingly, the city may withhold the information you marked under section 552.108(a)(2) of the Government Code.³

In summary, the city must withhold the information you marked under section 552.142 of the Government Code. The city may withhold the information you marked under section 552.108(a)(2) of the Government Code. The city must release the remaining information.

³ As our ruling is dispositive, we need not address your remaining argument against disclosure of this information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
