Mr. Robert G. Schleier, Jr.  
Counsel for the City of Kilgore  
Law Office of Robert G. Schleier, Jr.

OR2020-19065

Dear Mr. Schleier:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 837930.

The Kilgore Police Department (the "department") received a request for any information pertaining to a named individual, especially a specified report. You claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.318 of the Health and Safety Code applies to an emergency communication district for a county with a population of more than 20,000 and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a 9-1-1 service supplier. *See* Open Records Decision No. 649 (1996). You indicate the department is part of an emergency communication district that is subject to section 772.318 of the Health and Safety Code. Accordingly, the department must withhold the telephone number you have marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code if it consists of the originating telephone number furnished by a 9-1-1 service supplier. If the marked information does not consist of an originating telephone number provided by a 9-1-1 service supplier, it may not be withheld under section 552.101

in conjunction with section 772.318. We note section 772.318 does not apply to caller's name, and the department may not withhold the caller's name at issue under section 552.101 of the Government Code on this basis.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or a personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov't Code § 552.130. Upon review, we find the department must withhold the information you marked under section 552.130 of the Government Code.

In summary, the department must withhold the telephone number you have marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code if it consists of the originating telephone number furnished by a 9-1-1 service supplier. The department must withhold the information you have marked under section 552.130 of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
