July 31, 2020

Mr. Christopher K. Austria
Assistant City Attorney
City of Fort Worth
200 Texas Street, 3rd Floor
Fort Worth, Texas 76102-6311

OR2020-19150

Dear Mr. Austria:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 839739 (ORR# W102070).

The City of Fort Worth (the "city") received a request for a specified incident report. The city claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." This section encompasses section 773.091 of the Health and Safety Code, which provides, in relevant part, the following:

- (a) A communication between certified emergency medical services personnel or a physician providing medical supervision and a patient that is made in the course of providing emergency medical services to the patient is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

Health & Safety Code § 773.091(a)-(b). We note the term “patient” is not defined for purposes of section 773.091 of the Health and Safety Code. When a word used in a statute is not defined and that word is “connected with and used with reference to a particular trade or subject matter or is used as a word of art, the word shall have the meaning given by experts in the particular trade, subject matter, or art.” Gov’t Code § 312.002; *see Liberty Mut. Ins. Co. v. Garrison Contractors, Inc.*, 966 S.W.2d 482, 485 (Tex. 1998). Taber’s Cyclopedic Medical Dictionary defines “patient” as “one who is sick with, or being treated for, an illness or injury; [or] . . . an individual receiving medical care.” Taber’s Cyclopedic Medical Dictionary 1446 (17th ed. 1989). We also note other statutes dealing with medically-related professions generally define “patient” as an individual who consults a health care professional. *See* Health & Safety Code § 611.001 (mental health records); Occ. Code §§ 159.001 (physician records), 201.401 (chiropractic records), 202.401 (podiatric records), 258.101 (dental records). Thus, because the generally accepted medical definition of patient indicates the term refers to a living individual, we find the term does not encompass information that concerns a deceased individual. Upon review, we find the city has failed to establish section 773.091 of the Health and Safety Code is applicable to any of the submitted information. Accordingly, the city may not withhold the information at issue under section 552.101 on that basis. Therefore, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
