

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 4, 2020

Mr. Nicholas Toulet
Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79701

OR2020-19370

Dear Mr. Toulet:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 840616 (Reference No. M030385-052820).

The City of Midland (the "city") received a request for information pertaining to a specified incident. You state the city will release some of the requested information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes a search warrant subject to section 552.022(a)(17) of the Government Code. Section 552.022(a)(17) provides for required public disclosure of "information that is also contained in a public court record," unless it is "made confidential under [the Act] or other law[.]" Gov't Code § 552.022(a)(17). We marked the documents that are subject to section 552.022(a)(17). Although you seek to withhold this information under section 552.108 of the Government Code, this section is a discretionary exception and does not make information confidential under the Act. *See id.* § 552.007; Open Records Decision No. 665 at 2 n.5 (2000) (discretionary exceptions generally). As such, section 552.108 does not make information confidential for the purposes of section 552.022. Accordingly, the court-filed documents may not be withheld under section 552.108 of the Government Code. However, we will consider your argument against of the information not subject to section 552.022.

Next, we note remaining information includes a CR-3 accident report. Section 550.065 of the Transportation Code applies only to a written report of an accident required under

section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c). Here, the requestor is a person listed under section 550.065(c). *Id.* § 550.065(c)(4). Thus, the city must release the submitted CR-3 accident report to the requestor pursuant to section 550.065(c) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information pertains to a pending criminal investigation or prosecution. Based on this representation, we conclude section 552.108(a)(1) is generally applicable to the remaining information. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). We note, however, the information at issue includes a DIC-24 statutory warning. The city provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 form may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered basic information). Accordingly, with the exception of the DIC-24 and basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.”¹ Gov’t

¹ The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The court of appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Thus, the city must withhold the public citizen's date of birth under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the city must withhold the motor vehicle record information we marked under section 552.130 of the Government Code.

In summary, the city must release the submitted search warrant pursuant to section 552.022(a)(17) of the Government Code. The city must release the submitted CR-3 accident report to the requestor pursuant to section 550.065(c) of the Transportation Code. With the exception of the information the DIC-24 form and basic information, which must be released, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code. In releasing the DIC-24 form, the city must withhold the public citizen's date of birth under section 552.101 of the Government Code in conjunction with common-law privacy and the information we marked under section 552.130 of the Government Code.
