

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

August 4, 2020

Mr. Brandon Dyson
Assistant City Attorney
City of San Angelo
72 West College Avenue
San Angelo, Texas 76903

OR2020-19421

Dear Mr. Dyson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 838285.

The City of San Angelo (the "city") received a request for specified information pertaining to specified cell tower. Although you take no position as to whether the submitted information is excepted under the Act, you state release of this information may implicate the proprietary interests of Monosite, Inc. ("Monosite"). Accordingly, you state, and provide documentation showing, you notified Monosite of the request for information and of their right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from Monosite explaining why the submitted information should not be released. Therefore, we have no basis to conclude Monosite has a protected proprietary interest in the submitted information. *See, e.g., id.* § 552.110 (requiring the provision of specific factual evidence demonstrating the applicability of the exception). Accordingly, the city may not withhold any portion of the submitted information related to

Monosite on the basis of any proprietary interest it may have in the information. As you raise no exceptions to disclosure, the city must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <https://www.texasattorneygeneral.gov/open-government/members-public/what-expect-after-ruling-issued> or call the OAG's Open Government Hotline, toll free, at (877) 673-6839.
