Dear Ms. Chima-Tetteh:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 840890 (PD Ref. No. R101511).

The Arlington Police Department (the "department") received a request for information pertaining to the arrest of the requestor's client. You claim some of the submitted information is excepted from disclosure under sections 552.108 and 552.152 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.152 of the Government Code provides,

Information in the custody of a governmental body that relates to an employee or officer of the governmental body is excepted from [required public disclosure] if, under the specific circumstances pertaining to the employee or officer, disclosure of the information would subject the employee or officer to a substantial threat of physical harm.

Gov't Code § 552.152. The department represents the release of the undercover officers' identities would subject the officers to a substantial threat of physical harm. Therefore, we find section 552.152 is applicable to the identities of the undercover officers within the information at issue. Accordingly, the department must withhold the identifying

information of the undercover officers under section 552.152 of the Government Code.¹
The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
