Ms. Jacque Cullom  
Assistant City Attorney  
City of San Marcos  
630 East Hopkins Street  
San Marcos, Texas 78666

OR2020-19652

Dear Ms. Cullom:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 840385 (ORR# W007085).

The City of San Marcos (the "city") received a request for information pertaining to communication on specified topics. The city states it has released some of the requested information, but claims the submitted information is excepted from disclosure under sections 552.101 and 552.107 of the Government Code. We have considered the claimed exception and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. This section encompasses information protected by other statutes. Section 551.104 of the Government Code provides, in part, that "[t]he certified agenda or tape of a closed meeting is available for public inspection and copying only under a court order issued under Subsection (b)(3)." *Id.* § 551.104(c). Thus, such information cannot be released to a member of the public in response to an open records request. *See* Attorney General Opinion JM-995 at 5-6 (1988) (public disclosure of certified agenda of closed meeting may be accomplished only under procedures provided in Open Meetings Act). Section 551.146 of the Open Meetings Act makes it a criminal offense to disclose a certified agenda or tape recording of a lawfully closed meeting to a member of the public. *See* Gov't

<sup>1</sup> We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

Code § 551.146(a)-(b). The city represents Exhibit D consists of a certified agenda of a closed meeting. Based on these representations, we agree the city must withhold Exhibit D under section 552.101 of the Government Code in conjunction with section 551.104(c) of the Government Code.

Section 552.107(1) of the Government Code protects information coming within the attorney-client privilege. When asserting the attorney-client privilege, a governmental body has the burden of providing the necessary facts to demonstrate the elements of the privilege in order to withhold the information at issue. Open Records Decision No. 676 at 6-7 (2002). First, a governmental body must demonstrate that the information constitutes or documents a communication. *Id.* at 7. Second, the communication must have been made “to facilitate the rendition of professional legal services” to the client governmental body. TEX. R. EVID. 503(b)(1). The privilege does not apply when an attorney or representative is involved in some capacity other than that of providing or facilitating professional legal services to the client governmental body. *In re Tex. Farmers Ins. Exch.*, 990 S.W.2d 337, 340 (Tex. App.—Texarkana 1999, orig. proceeding) (attorney-client privilege does not apply if attorney acting in a capacity other than that of attorney). Governmental attorneys often act in capacities other than that of professional legal counsel, such as administrators, investigators, or managers. Thus, the mere fact that a communication involves an attorney for the government does not demonstrate this element. Third, the privilege applies only to communications between or among clients, client representatives, lawyers, and lawyer representatives. TEX. R. EVID. 503(b)(1). Thus, a governmental body must inform this office of the identities and capacities of the individuals to whom each communication at issue has been made. Lastly, the attorney-client privilege applies only to a *confidential* communication, *id.* 503(b)(1), meaning it was “not intended to be disclosed to third persons other than those: (A) to whom disclosure is made to further the rendition of professional legal services to the client; or (B) reasonably necessary to transmit the communication.” *Id.* 503(a)(5). Whether a communication meets this definition depends on the *intent* of the parties involved at the time the information was communicated. *Osborne v. Johnson*, 954 S.W.2d 180, 184 (Tex. App.—Waco 1997, orig. proceeding). Moreover, because the client may elect to waive the privilege at any time, a governmental body must explain that the confidentiality of a communication has been maintained. Section 552.107(1) generally excepts an entire communication that is demonstrated to be protected by the attorney-client privilege unless otherwise waived by the governmental body. *See Huie v. DeShazo*, 922 S.W.2d 920, 923 (Tex. 1996) (privilege extends to entire communication, including facts contained therein).

The city explains Exhibit B consists of confidential communications between attorneys for and employees of the city that were made in furtherance of the rendition of professional legal services. The city also asserts the communications were intended to be confidential and their confidentiality has been maintained. Upon review, we find the city has demonstrated the applicability of the attorney-client privilege to the information at issue. Therefore, the city may withhold Exhibit B under section 552.107(1) of the Government Code.

In summary, the city must withhold Exhibit D under section 552.101 of the Government Code in conjunction with section 551.104(c) of the Government Code. The city may withhold Exhibit B under section 552.107(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
