Re: Request for information pertaining to motor vehicle accident, Case No. 2020-0294

Dear Mr. Guerra:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 841262.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. In this instance, the requestor does not give the requisite information under section 1701.661(a) of the Occupations Code. As the requestor did not properly request the body worn camera recording(s) at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. You must withhold the submitted accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Government Code but must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code. You claim the remaining information you marked may be withheld from the requestor pursuant to section 552.108(a)(2) of the Government Code. Upon review of your arguments and the remaining information, we conclude you may withhold the remaining information you marked under section 552.108(a)(2). You must withhold the marked motor vehicle record information in accordance with section 552.130 of the Government Code.
